

Coach specific training hours: 12

Who this program is for:

This program is designed for new coaches who are establishing their coaching practice, or those looking to take their practice to the new level. The main focus of this program is to help participants identify ways to set up their business and find clients.

This program is open to Results trained coaches and non-Results coaches.

About this program:

Participants of this program will establish a clear vision for their coaching business, set goals, clearly identify business resources and identify promotional and distribution methods for marketing strategies.

This is achieved through course materials, paired and group exercises where participants brainstorm business building ideas and actions to be completed between sessions. Additional resources also supplied as part of being a successful coach with a busy practice.

This course is always led by a senior Results Coach who has a highly successful coaching practice.

Objectives:

1. Participants have established a clear vision for their business
2. Participants have set explicit short & medium term goals for their business
3. Participants have clearly identified the resources and tools they need to run a successful business
4. Participants have identified ways to promote themselves as coaches and find clients

Format:

8 x 90 minute teleconference classes

Sessions may include theory, discussion, tools, role-plays, group work, case studies and readings.
